COMPETITION RULES

For both Air Rifle and Air Pistol:

The competitions will be shot indoors at 6 yards at NSRA targets in the standing unsupported position. Competitors will shoot 5 pellets at each of 3 targets. The best 2 targets of each discipline will then be taken for the competition score (i.e. ex-100). Tied scores (in medal positions only) in each discipline will be resolved by reference to the third highest card, then the highest card score. If still unresolved the medal will be awarded to the youngest competitor. The supplied rifles/pistols are to be used. A "blinder" may be used (not supplied). Boots/trainers giving ankle support may not be worn. The Range Officer's decision is final in all matters relating to safety, equipment and range conduct.

Air Rifle: The targets will be NSRA Air 7. The rifles supplied will be Air Arms pre-charged S400 MPR and Air Arms pre-charged S200. Competitors under 12 years of age will generally use Air Arms pre-charged S200. Competitors aged 12 years and over will generally use an MPR. If the Range Officer considers that a competitor in any age group is unable by reason of size to handle a MPR safely, that shooter will be directed to use a pre-charged S200 instead.

Clothing to be worn when shooting is to comply with the "Sporter rifle" rules – see <http://sporter.homestead.com/Introduction.html> . Specifically, specialised shooting clothing may not be worn.

Air Pistol: The targets will be NSRA Air 8. The pistols supplied will be Gamo Compacts. Competitors aged under 13 years may use one or two hands to hold the pistol, but those aged 13 and over must only use one.
